

Joint Scientific Program

Wednesday 25th November, 2015

	Convention 2	Convention 1	R1-2	R 3
07.30-09.00	Morning Coffee & Snack			
09.00-10.30	Cataract sym MSIC	Free Papers	Free Papers	Research contest
10.30-11.00	Break			
11.00-12.30	Comprehensive Knowledge of the Entropion	Approach to the Common Pediatric Eye Problems 1 กระพริบตา Nuthida Wongwirawat, MD 2 หน้าเอียงคอเอียง: Sirinya Suwannaraj, MD 3 น้ำตาไหล: Supapaporn, MD 4 กระจกตาโต: Chatchai Ployprasith, MD 5 ตาสั่น nystagmus	KKU network My Experiences in Training and Practicing in The U.S.: Thasarat Sutabutr, MD Ophthalmologists Out There! My Experience in Humanitarian Work: Tisha Prabriputaloong Stanzel, MD ESARN: Eye Service and Retina Network: Thuss Sanguansak, MD เครือข่ายการดูแล ROP ร้อย แก่น สาร สิ้นจี่ (ROP Caring Network to The Best): Somkiat Asawaphureekorn, MD, Thaworn Rangseechamrat, MD	Research contest
12.30-14.00	Luncheon Symposium			
14.00-15.30	พิธีเปิด keynote lecture: Posterior segment surgeries: Days of Future past: Yosanan Yospaiboon, MD			

Joint Scientific Program

15.30-17.00	Into the Depths Moderator: Suthasinee Sinawat, MD Peri-operative management in complicated phacoemulsification: Pipat Kongsup, MD Post-traumatic lens dislocation: Direk Patikulsil, MD Complications of retained lens fragments: Tanapat Ratanapakorn, MD Late in-the-bag IOL dislocation: Adisai Varadisai, MD	Evidence-based Oph Moderator: Thitiporn Ratanapojnarn, MD Diabetic Retinopathy: Pakitti Tayaniti, MD AACG Do's and Don'ts: Kulawan Rojananuangnit, MD Cataract in Fuchs' corneal dystrophy: Onsiri Thanathanee, MD	สปสช Health Policy	
Thursday 26 th November, 2015				
	Convention 2	Convention 1	R 1-2	R 456
07.30-09.00	Morning Coffee & Snack			
09.00-10.30	Neuro-oph sym "Myasthenia Gravis" Moderator: Kitthisak Kitthaweesin, MD Clinical features: Linda Hansapinyo, MD Investigations & treatments: Somsak Tiamkao, MD Panel discussion: all speakers	TORG "จับผิดจับถูกงานวิจัย: Glucosamine & IOP " Kulawan Rojananuangnit, MD, Pear Pongsachareonnont, MD, Pantipa Wongwai, MD, Usanee Reinprayoon, MD	"Fit & Firm with Running" Why you should run: Aumkhae Sookprasert, MD Running: effect on knee and back: Surachai Sae-Jung, MD Running: effect on cardiovascular system: Songsak Kiatchusakul, MD Running and the eye: Somkiat Asawaphureekorn, MD Muscle training and injury prevention in runners: Samerduen Khamwan, MD Advice from Thailand top runners' coach: Mr. Manop Dee-ngam Questions from audience: all speakers	
10.30-11.00	Break			

Joint Scientific Program

11.00-12.30	Reconnect 'CORNEA' to ophthalmic skills and knowledge Cornea Transplantation: Somporn Chantra, MD Cornea Infection: Orapin Anutarapongpan, MD Cornea Dystrophy: Passara Jongkhajornpong, MD	Miracle of Mirrors มหัศจรรย์แห่งมุมตา Somkiat Asawaphureekorn, MD, Boonsong Wanichwecharungruang, MD, Boonchai Wangsupadilok, MD	Discussion with International Colleagues Chair: Kittisak K Special Considerations in Managing Glaucoma in Women: Thasarat Sutabutr, MD ROP: S. Grace Prakalapakorn, MD, MPH, Pantipa Wongwai, MD Infantile Cataract: S. Grace Prakalapakorn, MD, MPH, Oracha Teerakapong, MD	
12.30-14.00	Luncheon Symposium			
14.00-15.30	Art & Craft in IOP Lowering Medications Moderators: Pawasoot Supasai, MD, Vithoon Ruangsuksriwong, MD Speakers: Nipon Sayawat, MD, Pawasoot Supasai, MD, Vithoon Ruangsuksriwong, MD, Damrong Wiwatwongwana, MD, Katesarin Kiatisevi, MD	Oculoplastic trauma	Uveitis Symp	Back to the Basic Valuable Tests Part I To detect neuroophthalmic disease: Linda Hansapinyo, MD To detect functional neuroophthalmic symptoms: Parima Hirunwiwatkul, MD
15.30-17.00	What's New in Retina? "As the future catches you" Moderator: Chavakij Bhoomibunchoo, MD Future trend in surgical retina: Nuttawut Rodanant, MD Future trend in laser management: Warapat Wongsawad, MD Future trend in medical retina: Atchara Amphornprut, MD Future trend in OCT: Mongkol Tadarati, MD	Common Eye Injuries: from Front to Back Chair: อ จักรพงษ์ Anterior Segment Trauma: Mathu Busayara, MD Traumatic glaucoma and Iris Injuries: Isaraporn Treesit, MD Traumatic Cataract: Posterior Segment trauma: Mansing Ratanasukon, MD		Back to the Basic Valuable Tests Part II Is it possible to diagnose glaucoma without modern instruments?: Phenpan Hirunyachote, MD How to diagnose common retinal disease without fancy equipments: Duangnate Rojanaporn, MD, FICO
Friday 27 th November, 2015				
	Convention 2	Convention 1		
07.30-08.30	Morning Coffee & Snack			

Joint Scientific Program

08.30-10.00	"R2P: from Research to real life Practice" Moderator: Thuss Sanguansak, MD Speakers: Paisan Ruamviboonsuk, MD, Prut Hanutsaha, MD, Mansing Ratanasukon, MD, Somanus Thoongsuwan, MD Thuss Sanguansak, MD			
10.00-10.30	Break			
10.30-12.00	Aphakic Management Chairmen: Nipon Sayawat, MD, Theeratep Tantayakom, MD Basic in Scleral fixed IOLs: Nipon Sayawat, MD Various techniques in scleral fixed IOLs: Sitatut Wongkulsiri, MD Basic in iris fixed IOLs: Amporn Jongserijit, MD Modified techniques in iris fixed and scleral fixed IOLs: Chairat Saovaprut, MD How to manage mispower IOLs: Pornchai Simaraj, MD	Fascinating referral cases La-ongsri Atchaneeyasakul, MD		
12.00-13.30	Luncheon Symposium
