APAO Leadership Development Program Class X 2019 -2020

Mission Statement

Medical professional organizations are united by the common goals of:

- Guiding doctors (members);
- Empowering the profession; and
- Protecting the community.

The goals are underpinned by professional values of competence, accountability, ethics, altruism and collegiality.

In the spirit of these goals and values, the APAO Leadership Development Program aims to provide systematic orientation and professional development skills for the future leaders of Ophthalmology within the Asia-Pacific region.

Program Goals

1. Identify individuals with the potential to become leaders in Ophthalmology.
2. Provide orientation and skills to allow potential leaders to promote ophthalmology locally and regionally.
3. Facilitate the promotion of program graduates into leadership positions both locally and regionally.
4. Facilitate a spirit of collegiality and networking within the future regional ophthalmology society leaders.
5. Build a culture to serve ophthalmology societies.

Guidelines for Participation

Each member organization of APAO may submit one nominee for consideration by the Selection Committee. APAO Council Members may nominate candidates via the applicable member organization.

The nominee should be:

- A visionary future leader with passion and determination to serve the profession and society at-large;
- A qualified eye doctor;
- Highly proficient in English.

The nominee must undertake to participate in all elements of the Leadership Development Program as noted in the program outline, including attendance at both

APAO congresses (Thailand and China) and the 3-day mid-term Masterclass, details to be confirmed. Nominees must agree to develop a project over the course of their participation in the program that will benefit the nominating society. Successful participants will graduate at a ceremony at the APAO 2020 Congress in Xiamen, China.

The APAO will bear the cost of organizing the symposia and workshop for the program. Registration fees for the congresses will be waived for participants. Other participation costs such as expenses for travel and accommodation will be borne by the individual participant or nominating society, as agreed by the member organization. Member organizations are encouraged to find ways to support their participants.

Estimated annual Leadership Development Program class size: up to 25 participants; the Program Faculty has the discretion to alter the class size if indicated.

Participant Nomination and Selection

Nominations should be submitted by 10th December 2018.

Participants will be announced by 28th December 2018.
